A semester usually consists of 18 credits, except for undergraduate students in Health Sciences Programs (up to 24 cr).

- For the semester exchange, students must enroll in a minimum of 10 credits due to the country's migration requirements.
- For Summer School, we suggest the students to take a maximum of 2 courses.

Course Registration

1. The academic coordinators of each program at Uninorte will review the requested courses according to availability for approval.
2. The student must review the approval of the courses requested in the mobility platform. In case some of the courses are not approved, the student will have to add a new course until all the requested courses are approved.

4. Students will receive their class schedules upon arrival, during the Orientation Session

All students must send their health insurance from their home country. Without it you will not be allowed to enter the campus.
It is mandatory for all exchange students to have sufficient health insurance for the duration of their stay at Uninorte and Colombia.

Universidad del Norte suggests to take the HEALTH INSURANCE with ALLIANZ SEGUROS DE VIDA S.A which includes:

- Hospitalization and surgery due to illness or accident
- Medical consultations with specialists
- Labs and diagnostic tests
- Coverages from the first day arrival
- Repatriation
- Care coverage by paying a copay fee (approx. 7 USD) and not by reimbursement.

**Pre-existing diseases are excluded*

**Maternity is not covered*

SEMESTER RATE PER STUDENT (5 MONTHS)

In case the student wishes to take the medical insurance suggested by Universidad del Norte, he/she must fill out the following link: <https://forms.gle/kvN82BmYyWNm7p5F6>

- If the student does not take the insurance suggested by the University they must verify that the medical insurance includes the items mentioned above.
- The insurance must provide a list of hospitals in Barranquilla with which they have an agreement, along with the name and contact information of their intermediary in Colombia, which will accept and send the guarantee of payment in case of emergency.
- If the student's health insurance does not contain all of the above, it will NOT be accepted by the university.
- Likewise, the insurance can **NOT** be by reimbursement, this means that the payment of hospitals in case of illness or emergency should not require payment to the student beyond a fee for attention.
- It is **mandatory** for all students to fill out the Medical information once they have their health insurance information.

Immigration (Visa)

There are two options for legalizing your entry to the country:

1. Integration and Development Permit (PID):

Citizens from countries that do not require VISA for entering Colombia and that will develop an exchange experience for maximum one semester (less than 180 calendar days).

You will need to present the letter of acceptance to Universidad del Norte to the Immigration Officer, in order for them to stamp your passport with an Integration and Development Permit (PID), as stated by Government Act 1067 of 2015. This permit must be renewed before the end of the first 90 days of your stay in the country. This will have a cost of approximately \$105,000 COP (27 USD). You will be accompanied by our office in this process.

2. Student Visa

Citizens from countries that require VISA for entering Colombia and for those that will develop an exchange experience for a period longer than one semester (more than 180 calendar days).

Please contact the Colombian Embassy or Consulate closest to you to confirm all information prior to arriving to Colombia. You must also verify if your nationality requires a visa to come to our country.

On the following link you can check if your nationality could require a visa to enter Colombia:
http://www.cancilleria.gov.co/en/procedures_services/visa/requirements

Students who enter with a Student Visa have 15 calendar days to process their Colombian immigration card, which has an approximate value of \$ 206.000 COP (53 USD). For more information, please visit the website of Migración Colombia on the following link:
