Hi Fadia

You are the only Latin American university that currently has SEDA accreditation and as far as I know you are the first one – so that is great!

The mentor and accreditors thought Uninorte was a great institution - they were really impressed!

Very best wishes

Roz

Dear Roz,

Thank you for the great news! We are really happy!

Is there any other Latin American University that was accredited in this committee or was accredited by SEDA in the past?

Thank you once again.

Dear Fadia

This is to let you know that the PDF Committee ratified the recognition of Uninorte and the accreditation of the following programmes at its meeting on Tuesday:

Certificate Teaching Programme

Reading Club

Course Transformation

Pedagogical Laboratories

In due course I will arrange for certificates to be sent to you. We are pretty busy and have some staff off at the moment so this might take a few weeks. Apologies if so.

Congratulations!

With best wishes

Roz

Dear Maria and Fadia

Please find attached the accreditors' report completed by Charl and myself. We are delighted to inform you that for your institutional recognition, there are no conditions and just two recommendations. With regard to the four programmes, there is the standard condition that you will be expected to complete a first-year report in February 2021 and one recommendation.

Can you now complete **section D – pages 14 and 15 and each of the appendices** – one for the institution recognition and one each for the four programmes. Please return the completed report to us (Charl, Roz and myself) within the next two weeks (**by Friday 24th Jan if possible**) so that it can be circulated to the PDF committee for ratification.

It was a pleasure to meet you all virtually and hear about the great work you are doing at Uninorte.

Best wishes
